6. **CONSENT CALENDAR**

All Consent Calendar items may be approved in a single motion as recommended unless removed for further discussion. If members of the Planning Commission or persons in the audience wish to discuss any matters listed on the Consent Calendar, please address them at this time.
Recommendation: Approve Item A per recommendations.

A. APPROVAL OF MINUTES

The Planning Commission is requested to review and approve:

1) Minutes of the Planning Commission Meeting of January 26, 2016.

7. PUBLIC HEARING

A. The project consists of a lot line adjustment, tentative tract map, and major site plan review to allow the construction of 28 residential units on two parcels located across from each other on McCulloch Avenue: 24 attached condominium units in the R-3 zone (Parcel 1) and four detached condominium units in the R-2 zone (Parcel 2)

The subject site is a proposal for a residential condominium development consisting of 28 units with attached garages on two parcels totaling 1.86 gross acres. The parcels are on opposite sides of McCulloch Avenue. Parcel 1 is 1.49 acres and would consist of 24 attached two-story condominium units ranging from 1,149 to 1,625 square feet in size. The units are divided in three distinct clusters of attached units by a 25-foot wide private horseshoe-shaped driveway and 23 guest parking spaces. Parcel 2 is 0.37 acres and would consist of four detached two-story units, each 1,590 square feet in size. Planned improvements include a 20-foot-wide shared private driveway that tapers to 16 feet in width for the two end units and three guest parking spaces. The property is located in the R-2 zone, and is designated as Medium Density Residential and in the R-3 zone, and is designated as High Density Residential by the City’s General Plan.

Location: 5654 and 5657 McCulloch Avenue

File Number: 15-248

Project Planner: Debbie Drasler and Adam Gulick

Recommendation:

1) Open the item for public comment;

2) Accept any public testimony; and

3) Adopt the resolution finding that the project is exempt from CEQA and approving the project subject to the proposed conditions of approval.
B. A request to modify an approved conditional use permit for a multi-phase commercial improvement project. Specifically, the property owner is requesting to remove Phase IV with the exception of installing new landscaping on the property.

On December 15, 2015, the City Council approved an amendment to the agreement between the property owner and City. The agreement between the property owner and City included a project summary that divided the improvements on the property into four phases. The property owner is now requesting to modify the approved conditional use permit to bring it into compliance with City’s Council’s action by removing the following items that were conditions of approval: 1) the installation of a canopy spanning from the automotive repair shop to the self-serve car wash structure; 2) the installation of channel letters spelling out “Temple City Gateway” on top of the canopy; and 3) the installation of new architectural lighting to highlight the canopy, sign, building elements, and landscaping.

Location: 5402 Rosemead Boulevard and 9011 Olive Street

File Number: 15-400

Project Planner: Adam Gulick

 Recommendation:

1) Open the Public Hearing item;

2) Accept any public testimony; and

3) Adopt the attached resolution subject to the conditions of approval.
