Starting today, Temple City residents will receive their Sample Ballot booklets in the mail for the upcoming March 8 municipal election where six candidates will vie for three city council seats.

“The booklets contain information on the candidates, how residents can vote by mail, and the location of their neighborhood polling place,” said City Clerk Mary Flandrick. “More than 17,000 trilingual booklets have been mailed – one to every registered voter in the city.”

Those who do not receive a booklet can contact City Hall at (626) 285-2171 or download a copy from the city’s website: [www.templecity.us](http://www.templecity.us)
