**WHO:** Customers who live within boundaries of the Upper San Gabriel Valley Municipal Water District. **NOTE: Temple City is located within District boundaries.**

**WHAT:** Free Toilet Giveaway Event

**WHEN:** Saturday, October 8, 8 a.m.

**WHERE:** West Covina High School, 1609 E. Cameron Ave., West Covina

**WHY:** To give away 1,000 high-efficiency toilets to water district customers. A high-efficiency toilet (HET) can reduce water consumption by up to 45 gallons per day.

**MORE:** Households can receive up to two (2) free HETs on a first-come, first-serve basis.

The TOTO Eco Drake toilet will be offered and retails for over \$200. The toilet features a contemporary, high-profile design that uses 1.3 gallons of water per flush (in comparison to pre-1992 toilets which use more than 3.5 gallons of water per flush).

Participants must bring a current water bill and photo ID. The bill must show the name of the water company and account number for the address where the HET(s) will be installed.

Residential addresses that previously participated in the program and already received a HET or ultra-low flush toilet are not eligible to participate.

Participants must return their old toilet(s) to West Covina High School between 8 a.m. and 1 p.m. on Saturday, October 29.
