

NOTICE OF INTENT TO ADOPT AN INITIAL STUDY AND A PROPOSED MITIGATED NEGATIVE DECLARATION ON THE ROSEMEAD BOULEVARD SAFETY ENHANCEMENT & BEAUTIFICATION PROJECT

To: Concerned Persons
From: The City of Temple City

PROJECT LOCATION: Rosemead Boulevard between Callita Street and Pentland Avenue/UPRR, Temple City, California 91780

PROJECT TITLE: Rosemead Boulevard Safety Enhancement & Beautification Project

PROJECT DESCRIPTION:

The City of Temple City has prepared this proposed Mitigated Negative Declaration for the Rosemead Boulevard Safety Enhancement & Beautification Project. The proposed project is a safety enhancement and beautification project to establish consistency along the entire length of Rosemead Blvd (2 miles) from Callita Street (north) to Pentland Avenue/railroad tracks (south) in Temple City, California. The project would result in:

- removal and replacement of concrete sidewalks, construction of new sidewalk, curb, and gutter (incidental under-sidewalk drain extensions)
- installation of new and reconfigured raised, irrigated, and landscaped roadway medians
- re-slope and reconfigure (as well as minor R&R—removing/relocating and replacing) driveways and curbs to meet ADA requirements
- install new, and reconfigure existing, traffic signals
- install bicycle facilities
- removal and reconstruction of AC pavement related to medians
- street resurfacing
- installation of new trees and landscaping as well as removal and replacement of existing trees and landscaping
- construction and installation of loop detectors, bus pads, new street lighting, street furnishings, decorative planters, retaining walls, entry monuments, signage, and striping
- construction of transit-stop improvements and seating nodes
- signalization of two intersections
- construction of other pedestrian and bicycle amenities
- improvements at the cross street of Las Tunas Drive for up to 300 feet
- improvements at the frontage road north of the UPRR tracks for up to 1,000 feet
- relocation of public utilities, as necessary

The Initial Study examines impacts of the proposed project on the City's environment. The Initial Study/Proposed Mitigated Negative Declaration will be available for public review on January 30, 2012, at City Hall, 9701 Las Tunas Drive, Temple City.

HOW TO COMMENT ON NOTICE OF INTENT TO ADOPT AN INITIAL STUDY/PROPOSED MITIGATED NEGATIVE DECLARATION

The City of Temple City encourages public comment on this and other projects. Copies of the Initial Study/Proposed Mitigated Negative Declaration on the proposed project are available for your review at City Hall, 9701 Las Tunas Drive, Temple City. A copy is also available at the reference section of the Temple City Public Library, 5939 Golden West Avenue, Temple City. All documents that are referenced in the Initial Study/Proposed Mitigated Negative Declaration are available for review at City Hall, 9701 Las Tunas Drive, Temple City. The Initial Study/Proposed Mitigated Negative Declaration is also available on the City's website at www.templecity.us.

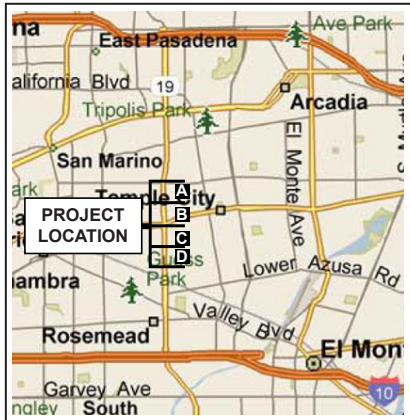

The Planning Commission will consider the Initial Study/Proposed Mitigated Negative Declaration at their meeting on February 28, 2012, which will be in the Council Chambers, located at 5938 Kauffman Avenue, Temple City, CA 91780. In addition, the City Council will consider adoption of the Initial Study/Proposed Mitigated Negative Declaration at their meeting on March 6, 2012.

PUBLIC COMMENT PERIOD: January 30, 2012, to February 29, 2012
