Inspection Approved / Denied by:		Date:		

OVERNIGHT PARKING PERMITS

In compliance with Temple City Municipal Code, Section 3324, the City will investigate each application for an overnight parking permit. The following are reasons for **NOT** issuing a parking permit:

REASON	EXPLANATION
No parking permit shall be issued for convenience.	Permits will not be issued due to odd arrival/departure times. All parking available on your property must be used first.
All parking available to residence must be used first before issuance of parking permit.	Garages need to be used for parking first, not storage. A two-car garage has a minimum of 15 ft. 6 inch opening or greater; a single-car garage has a minimum of 8 ft. opening.
No permit will be issued for an inoperable vehicle.	If the vehicle does not run or is not currently registered, a permit cannot be obtained.
No permit will be issued when the size of the vehicle, (i.e., weight, length, height, or width in relationship to the width of the street), or volumes of vehicular traffic carried by the street, constitutes a safety hazard.	Examples: motor homes, overweight commercial vehicles and trailers.

Permit shall **not** be issued for overnight parking on **Longden Avenue**, between Oak Avenue and Rosemead Boulevard (9000-9240 blocks) due to traffic speed, volume and visibility.

ALL PERMITS EXPIRE MIDNIGHT, DECEMBER 31, 2010

PROCESSING / RENEWAL FEE

\$47.00 for each overnight parking permit for calendar year **2010**. Overnight parking permit fees are not prorated. Please mail and make checks payable to:

**City of Temple City
P.O. Box 1257
Temple City, CA 91780-1257**

There is NO REFUND if your application is denied.

RENEWALS

All applications for renewal for calendar year **2010** must be received no later than **November 30, 2009** to ensure that the permit is issued by January 1, 2010. All applications for renewal of a parking permit for a subsequent calendar year shall be reinvestigated.

PLACEMENT OF PERMIT ON VEHICLE

THE PARKING PERMIT SHALL BE PLACED ON THE OUTSIDE OF THE REAR (BACK) WINDOW IN THE LOWER LEFT-HAND CORNER (DRIVER'S SIDE) of the vehicle (for easier visibility); and the permit shall not be in effect until it is placed in this area. A permit to park overnight by the provisions of the foregoing sections of the Municipal Code does not authorize parking that is otherwise prohibited by State law or other provisions of the Temple City Traffic Code.
