CONSENT TO ENTER AND RELEASE OF LIABILITY**

To the City of Temple City:

The undersigned owner of the property, or agent representing the property owner at the address opposite my name, hereby consents to entry upon said property by personnel and equipment of William Marino Enterprises as is necessary to remove, reduce, or obliterate the writing of graffiti on said property by using water blasting, painting or use of solvents.

The undersigned also acknowledges that this consent to enter and release of liability is valid for as long as the property owner owns the property and that all work will be performed at no cost to the property owner.

I understand that the cleaning may be in blocks or strips where the lettering appears and that the cleaned or processed area may not match precisely, but every effort will be made to match colors to the remainder of the above improvement, that the cleaning will not include the entire surface, but only blocks, patches, or strips thereof, and the Contractor and the City assume no responsibility if colors do not precisely match or some residue of the existing graffiti remains.

I request and authorize William Marino Enterprises to enter and use said equipment with full knowledge of the above.

I hereby release William Marino Enterprises and the City of Temple City, it's officers, agents, and employees of and from any and all claims, demands, causes of actions or obligations whatsoever arising out of or relating to the entry on my property, any incidental damage to shrubs or plants, the cleaning operations hereinabove referred to, the appearance of said improvements or otherwise.
