INTRODUCTION
The City of Temple City is centrally located in the west San Gabriel Valley approximately five miles southeast of Pasadena and 13 miles northeast of downtown Los Angeles. The City is approximately 3.85 square miles and is surrounded by the cities of Arcadia, San Gabriel, El Monte, Rosemead, and unincorporated portions of Los Angeles County. The 2010 U.S. Census Bureau indicates a total population of 35,558. Temple City is predominantly a residential community with over 10,000 residential parcels.

OVERVIEW
The City is seeking proposals from qualified consulting firms to prepare an update to the Housing Element of the City’s General Plan and associated environmental assessment. Under direction of the Community Development Director, the awarded consulting firm is expected to prepare a Housing Element to reflect current conditions, city policies and methods to meet the housing requirements mandated by the State of California. After review and evaluation of the submitted Proposals the City will award a contract. The following defines the proposed project, scope of services, proposal requirements, selection process and other information required to prepare and submit a proposal.

SCOPE OF SERVICES
The City’s Housing Element was adopted in 2014 and certified in compliance with State Housing Element law by the State Department of Housing and Community Development. The purpose of the project is to prepare a new Housing Element to be internally consistent with the City’s new General Plan, which was adopted in 2017 and in compliance with state statutes. The City also prepared a comprehensive update of its Zoning Code in 2019. The update should reassess the community’s housing related goals and objectives, while addressing issues and community desires with respect to a wide range of possible housing program initiatives. The scope of services should include the proposed CEQA document, if possible, within the $85,000 budget. The services should also include meeting with staff, community members, the Planning Commission, City Council, and HCD. The City would also prefer if the consultant prepared all materials including draft staff reports and resolutions for the proposed Planning Commission and City Council meetings.

LEAP Grant Application – The City is applying for a $150,000 LEAP Grant to assist in the funding of this Housing Element Update and its implementation measures. The City’s application expects a budget of $85,000 for the Housing Element and the remainder of the grant, $65,000, for implementation programs in the Housing Element. The City has met with HCD staff, which has expressed support for the application.

MEETINGS
Temple City takes seriously the County Public Health Officer’s Public Health Orders. As such, each member of staff is at City Hall once a week. It should be expected that any meetings, whether with staff or with the public, will be virtual for the foreseeable future. Online public input is encouraged to supplement outreach, and if necessary, to replace in-person meetings.

- The proposal should consider weekly or bi-weekly meetings between the staff and the consultant to ensure progress.
- The City expects at least two community meetings, a study session with both the Planning Commission and City Council, and one public hearing with the Planning Commission and City Council. The City is flexible if the consultant believes a different approach is appropriate.

NECESSARY QUALIFICATIONS
The City of Temple City seeks the following:

1. **Experience.** The selected consultant must have demonstrated relevant experience in providing the work described under the Scope of Services. The consultant must also demonstrate that they have experience preparing housing elements approved by HCD. Substantiation must be provided regarding the nature of services provided to the client cities or agencies. A comprehensive list of references of cities
served must be provided. Cite examples of qualifying projects with dates, contact persons, and scope of work performed. The submittal shall clearly state the number and type of programs or services performed.

2. **Staff Qualifications.** Staff assigned to complete the Scope of Services must have relevant experience in providing the necessary services as described under the Scope of Services. All personnel assigned to the work must possess appropriate certifications or registrations as required by State or Federal agencies, if any.

3. **Contact Person.** The consultant will be required to identify the person who will be the Project Manager and primary contact person. Other staff may be identified as the specialist in the specific areas or for specific tasks. These individuals must, within reasonable limitations, be accessible to City staff during business hours.

4. **Organization and Staffing.** The consultant must provide a description of the Project Manager, other key staff and sub-contractors, if any, and their relationship with City operations. The Consultant must provide resumes for all staff members and sub-contractors, if any. Provide an Organization Table illustrating the staff hierarchy and responsibilities as it would pertain to the scope of work in this document.

**EVALUATION AND SELECTION PROCESS**

Selection will follow these steps:

1. **Proposal Review:** Each proposal will be reviewed to determine if it meets the RFP requirements. Failure to meet the requirements of the RFP will be cause for rejection. Proposals will be evaluated on the following items:
   - Team member’s knowledge, experience, and qualifications
   - Understanding of current legal framework
   - Demonstrate prior success of the project team members in completing similar projects in similar cities
   - Ability to place resources to meet the schedule
   - Ability to present complex information in easily understood prose/text/graphics to decision makers and the community. (*This can be a complex and divisive subject and the successful team must be able to demonstrate that they can communicate effectively in presentations, meetings and in writing with the department, public and elected officials.*)

2. **Evaluation Criteria:** Proposals will be evaluated on their response to all provisions of this RFP. The City of Temple City will use the following criteria in its evaluation of proposals, interviews with selected consultants, or verification of references. Access to such documents and records shall be granted to City, as well as to its successors-in-interest and authorized representatives.

(a) Consultant is and shall at all times remain a wholly independent contractor and not an officer, employee or agent of City. Consultant shall have no authority to bind City in any manner, nor to incur any obligation, debt or liability of any kind on behalf of or against City, whether by contract or otherwise, unless such authority is expressly conferred under this AGREEMENT or is otherwise expressly conferred in writing by City.

(b) The personnel performing the services under this Agreement on behalf of Consultant shall at all times be under Consultant’s exclusive direction and control. Neither City, nor any elected or appointed boards, officers, officials, employees or agents of City, shall have control over the conduct of Consultant or any of Consultant’s officers, employees, or agents except as set forth in this Agreement. Consultant shall not at any time or in any manner represent that Consultant or any of Consultant’s officers, employees, or agents are in any manner officials, officers, employees or agents of City.

(c) Neither Consultant, nor any of Consultant’s officers, employees or agents, shall obtain any rights to retirement, health care or any other benefits which may otherwise accrue to City’s employees. Consultant expressly waives any claim Consultant may have to any such rights.

SECTION 9. STANDARD OF PERFORMANCE.

Consultant represents and warrants that it has the qualifications, experience and facilities necessary to properly perform the services required under this Agreement in a thorough, competent and professional manner. Consultant shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all services described herein. In meeting its obligations under this Agreement, Consultant shall employ, at a minimum, generally accepted standards and practices utilized by persons engaged in providing services similar to those required of Consultant under this Agreement.

If and to the extent that City utilizes for any purpose not related to this Agreement any maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files or other documents prepared, developed or discovered by Consultant in the course of providing any services pursuant to this Agreement, Consultant’s guarantees and warranties related to Standard of Performance shall not extend to such use of the maps, models, designs, drawings, photographs, studies, surveys, reports, data, notes, computer files, files or other documents.

SECTION 10. COMPLIANCE WITH APPLICABLE LAWS; PERMITS AND LICENSES.

Consultant shall keep itself informed of and comply with all applicable federal, state and local laws, statutes, codes, ordinances, regulations and rules in effect during the term of this Agreement. Consultant shall obtain any and all licenses, permits and authorizations necessary to perform the services set forth in this Agreement. Neither City, nor any elected or appointed boards, officers, officials, employees or agents of City, shall be liable, at law or in equity, as a result of any failure of Consultant to comply with this section.
SECTION 11. PREVAILING WAGE LAWS

It is the understanding of City and Consultant that California prevailing wage laws do not apply to this Agreement because the Agreement does not involve any of the following services subject to prevailing wage rates pursuant to the California Labor Code or regulations promulgated thereunder: Construction, alteration, demolition, installation, or repair work performed on public buildings, facilities, streets or sewers done under contract and paid for in whole or in part out of public funds. In this context, “construction” includes work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work.

SECTION 12. NONDISCRIMINATION.

Consultant shall not discriminate, in any way, against any person on the basis of race, color, religious creed, national origin, ancestry, sex, age, physical handicap, medical condition or marital status in connection with or related to the performance of this Agreement.

SECTION 13. UNAUTHORIZED ALIENS.

Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, et seq., as amended, and in connection therewith, shall not employ unauthorized aliens as defined therein. Should Consultant so employ such unauthorized aliens for the performance of work and/or services covered by this Agreement, and should the any liability or sanctions be imposed against City for such use of unauthorized aliens, Consultant hereby agrees to and shall reimburse City for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys’ fees, incurred by City.

SECTION 14. CONFLICTS OF INTEREST.

(a) Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Consultant’s performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the City Manager. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement.

(b) City understands and acknowledges that Consultant is, as of the date of execution of this Agreement, independently involved in the performance of non-related services for other governmental agencies and private parties. Consultant is unaware of any stated position of City relative to such projects. Any future position of City on such projects shall not be considered a conflict of interest for purposes of this section.

(c) City understands and acknowledges that Consultant will, perform non-related services for other governmental agencies and private parties following the completion of the
scope of work under this Agreement. Any such future service shall not be considered a conflict of interest for purposes of this section.

SECTION 15. CONFIDENTIAL INFORMATION; RELEASE OF INFORMATION.

(a) All information gained or work product produced by Consultant in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant shall not release or disclose any such information or work product to persons or entities other than City without prior written authorization from the City Manager, except as may be required by law.

(b) Consultant, its officers, employees, agents or subcontractors, shall not, without prior written authorization from the City Manager or unless requested by the City Attorney of City, voluntarily provide declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered “voluntary” provided Consultant gives City notice of such court order or subpoena.

(c) If Consultant, or any officer, employee, agent or subcontractor of Consultant, provides any information or work product in violation of this Agreement, then City shall have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorneys fees, caused by or incurred as a result of Consultant’s conduct.

(d) Consultant shall promptly notify City should Consultant, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed thereunder. City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Consultant. However, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

SECTION 16. INDEMNIFICATION.

(a) Indemnification for Professional Liability. Where the law establishes a professional standard of care for Consultant’s Services, to the fullest extent permitted by law, Consultant shall indemnify, protect, defend and hold harmless City and any and all of its officials, employees and agents (“Indemnified Parties”) from and against any and all losses, liabilities, damages, costs and expenses, including attorney’s fees and costs to the extent same are caused in whole or in part by any negligent or wrongful act, error or omission of Consultant, its officers, agents, employees or sub-consultants (or any entity or individual that Consultant shall bear the legal liability thereof) in the performance of professional services under this Agreement.

(b) Indemnification for Other than Professional Liability. Other than in the performance of professional services and to the full extent permitted by law, Consultant shall indemnify, protect, defend and hold harmless City, and any and all of its employees, officials and

(c) **General Indemnification Provisions.** Consultant agrees to obtain executed indemnity Agreements with provisions identical to those set forth here in this section from each and every sub-contractor or any other person or entity involved by, for, with or on behalf of Consultant in the performance of this Agreement. In the event Consultant fails to obtain such indemnity obligations from others as required here, Consultant agrees to be fully responsible according to the terms of this section. Failure of City to monitor compliance with these requirements imposes no additional obligations on City and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend City as set forth here is binding on the successors, assigns or heirs of Consultant and shall survive the termination of this Agreement or this section.

(d) **Limitation of Indemnification.** Notwithstanding any provision of this Section 16 [Indemnification] to the contrary, design professionals are required to defend and indemnify the City only to the extent permitted by Civil Code Section 2782.8, which limits the liability of a design professional to claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the design professional. The term “design professional,” as defined in Section 2782.8, is limited to licensed architects, licensed landscape architects, registered professional engineers, professional land surveyors, and the business entities that offer such services in accordance with the applicable provisions of the California Business and Professions Code.

(e) The provisions of this section do not apply to claims occurring as a result of City’s sole negligence. The provisions of this section shall not release City from liability arising from gross negligence or willful acts or omissions of City or any and all of its officials, employees and agents.

**SECTION 17. INSURANCE.**

Consultant agrees to obtain and maintain in full force and effect during the term of this Agreement the insurance policies set forth in Exhibit “C” “Insurance” and made a part of this Agreement. All insurance policies shall be subject to approval by City as to form and content. These requirements are subject to amendment or waiver if so approved in writing by the City Manager. Consultant agrees to provide City with copies of required policies upon request.

**SECTION 18. ASSIGNMENT.**

The expertise and experience of Consultant are material considerations for this Agreement. City has an interest in the qualifications and capability of the persons and entities who will fulfill the duties and obligations imposed upon Consultant under this Agreement. In
recognition of that interest, Consultant shall not assign or transfer this Agreement or any portion of this Agreement or the performance of any of Consultant’s duties or obligations under this Agreement without the prior written consent of the City Council. Any attempted assignment shall be ineffective, null and void, and shall constitute a material breach of this Agreement entitling City to any and all remedies at law or in equity, including summary termination of this Agreement. City acknowledges, however, that Consultant, in the performance of its duties pursuant to this Agreement, may utilize subcontractors.

SECTION 19. CONTINUITY OF PERSONNEL.

Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant’s staff and subcontractors, if any, assigned to perform the services required under this Agreement. Consultant shall notify City of any changes in Consultant’s staff and subcontractors, if any, assigned to perform the services required under this Agreement, prior to and during any such performance.

SECTION 20. TERMINATION OF AGREEMENT.

(a) City may terminate this Agreement, with or without cause, at any time by giving thirty (30) days written notice of termination to Consultant. In the event such notice is given, Consultant shall cease immediately all work in progress.

(b) Consultant may terminate this Agreement for cause at any time upon thirty (30) days written notice of termination to City.

(c) If either Consultant or City fail to perform any material obligation under this Agreement, then, in addition to any other remedies, either Consultant, or City may terminate this Agreement immediately upon written notice.

(d) Upon termination of this Agreement by either Consultant or City, all property belonging exclusively to City which is in Consultant’s possession shall be returned to City. Consultant shall furnish to City a final invoice for work performed and expenses incurred by Consultant, prepared as set forth in Section 4 of this Agreement. This final invoice shall be reviewed and paid in the same manner as set forth in Section 4 of this Agreement.

SECTION 21. DEFAULT.

In the event that Consultant is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, if circumstances warrant. During the period of time that Consultant is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the City may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the City may take necessary steps to terminate this Agreement under Section 20. Any failure on the
part of the City to give notice of the Consultant’s default shall not be deemed to result in a waiver of the City’s legal rights or any rights arising out of any provision of this Agreement.

SECTION 22. EXCUSABLE DELAYS.

Consultant shall not be liable for damages, including liquidated damages, if any, caused by delay in performance or failure to perform due to causes beyond the control of Consultant. Such causes include, but are not limited to, acts of God, acts of the public enemy, acts of federal, state or local governments, acts of City, court orders, fires, floods, epidemics, strikes, embargoes, and unusually severe weather. The term and price of this Agreement shall be equitably adjusted for any delays due to such causes.

SECTION 23. COOPERATION BY CITY.

All public information, data, reports, records, and maps as are existing and available to City as public records, and which are necessary for carrying out the work as outlined in the Exhibit “A” “Scope of Services,” shall be furnished to Consultant in every reasonable way to facilitate, without undue delay, the work to be performed under this Agreement.

SECTION 28. WAIVER.

Waiver by any party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision nor a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by City of any work or services by Consultant shall not constitute a waiver of any of the provisions of this Agreement.

SECTION 29. LAW TO GOVERN; VENUE.

This Agreement shall be interpreted, construed and governed according to the laws of the State of California. In the event of litigation between the parties, venue in state trial courts shall lie exclusively in the County of Los Angeles, California. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in Los Angeles.

SECTION 30. ATTORNEYS FEES, COSTS AND EXPENSES.

SECTION 31. ENTIRE AGREEMENT.

This Agreement, including the attached Exhibits “A” through “C”, is the entire, complete, final and exclusive expression of the parties with respect to the matters addressed therein and supersedes all other Agreements or understandings, whether oral or written, or entered into between Consultant and City prior to the execution of this Agreement. No statements, representations or other Agreements, whether oral or written, made by any party which are not embodied herein shall be valid and binding. No amendment to this Agreement shall be valid and binding unless in writing duly executed by the parties or their authorized representatives.

SECTION 32. SEVERABILITY.

If any term, condition or covenant of this Agreement is declared or determined by any court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions of this Agreement shall not be affected thereby and the Agreement shall be read and construed without the invalid, void or unenforceable provision(s).
IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the date and year first-above written.
