Classic Car Show Coming to Temple City Park

Oct. 23 event to feature 40 vehicles; registration now open for entries.

TEMPLE CITY, CA (Sept. 22, 2021) — Many of the area's coolest vehicles will soon be on display at Temple City's annual Classic Car Show.

Scheduled for Saturday, Oct. 23 from 11 a.m. to 3 p.m., this year's show will be held at Temple City Park, with a collaboration with Temple City School District to host the Fall Festival.

All cars on display will be pre-1980. Organizers expect a range of vehicles—from Model As and panel trucks to muscle cars and custom rides.

This year, 7 custom trophies will be awarded including Community Choice, Commissioner's Choice, Best Interior and Best Paint.

Open to the public, the free event also includes live entertainment by Temple City Unified School District Performance Group, kid's activities, silent auction, and food trucks.

Exhibitors can pre-register their cars for \$30 by Oct. 15. All who register will receive lunch, an event T-shirt, and a dash plaque.

For more information, contact Jordi Ubaldo at (626) 407-5097 or visit templecity.us/fallfestivalcarshow
