It is requested that the Youth Committee share a recap on recent progress and developments at a Council meeting in April.

The “Little Libraries” Project committee has postponed their first meeting to March 7 due to scheduling conflicts.

The General Plan Working Group has been in contact with staff, and helped schedule the General Plan presentation tonight.

Committee members present then broke out into a mapping exercise to identify various development goals for different parts of the city.

## **7. UPDATES FROM STAFF**

Management Analyst Chung informed the Committee that the City applied for two awards with the California Association of Public Information Officials—one for Rosemead Boulevard (which Committee members assisted in with the Grand Opening Festival), and another for the Youth Engage Conference.
